

Tinkering Workshop

woodworking and crafting for grades 1-5

8 week class Nov. 2018-Jan. 2019

Come make awesome stuff with us! Students will gain the skills they need to work confidently to design and build creations as wild as their imaginations. reDiscover Center Facilitators, using the approach honed at Tinkering School LA camps, teach a mix of design, art, engineering, and woodworking activities. Classes include skills building, safe tool use, projects, and open build time. This hands-on, minds-on workshop is fun and creative! Good for returning tinkerers and newcomers alike.

**Real Tools.
Real Materials.
Unlimited Imagination.**

reDiscover Center provides creativity education using real tools and sustainable materials to over 10,000 children per year.

Giant string art made at Fall 2018 Tinkering Workshop class at LCE
