

FAMILY STEAM NIGHT

Come and have fun with the world of Physics - see how it affects your everyday lives with Forces and Motion. An exciting interactive event learning about:

- Sir Isaac Newton
- 3 Laws of Motion
- Theory of Gravity
- Energy and the ability to do work
- Kinetic and potential energy
- The Law of Conservation of Energy
- Gyroscopic motion/stability

La Canada Elementary
Wednesday, September 18th
6:30 PM-8:00 PM.
