

## **Assistance League of Flintridge** **SUMMER SCHOOL 2022**

**Mornings, daily June 20 through July 15, 2022**

**Registration is open. Classes are still available. Check these out!**

### **Beginning Band - Grades 4-6**

Calling all aspiring musicians -- This introductory class is designed for students with little or no experience in music. What a great opportunity to try out a musical instrument without committing to a full year program! Learn the fundamentals of reading and understanding music as well as learn to play a woodwind or brass instrument. Students provide their own instrument or may rent one from ALF for a fee of \$50.

### **Band, Intermediate or String Orchestra - Grades 5-6**

Musicians who play a band instrument (woodwind, brass, or percussion) or string instrument (cello, viola, violin) and have participated in ALF Instrumental Music for one year or more are welcome. Further the skills learned and keep them sharp over the summer. Students provide their own instrument or may rent one from ALF for a fee of \$50. NOTE: Percussion instruments are not available for rent.

### **Jump Rope, Basic & Intermediate - Grades 2-6**

Move to the music and learn great tricks with single ropes, Double Dutch, Chinese Wheel and long ropes. Proper stretching and conditioning techniques are emphasized, along with developmentally appropriate activities. Once you have learned the basics of Jump Rope, continue to master new skills and combinations of skills as you jump your way into fitness and conditioning.

### **Math Exploration - Grades 2, 3, 4, 5 & 6**

Understanding math concepts needn't be boring. Become a problem solver and critical thinker! Strengthen math skills through the use of manipulative materials and activities.

### **Math Art - Grades 4-6**

Much of art has to do with Math – lines, symmetry, patterns, measurement, shapes and size. This class will introduce those concepts and reinforce them by having the class use them in projects that will display the elements of art such as color, form, lines, shape, space, texture and value.

### **Raise Your Voice! - Grades 5-6**

In this class, students will have the opportunity to "raise their voices" singing popular songs. They will learn how to read music and use melodies and harmonies for an exciting live performance. Who knows...this class might inspire a future American Idol!!
