LCE PTA 2021-2022 Enrichment Funds Recommendation

LCE PTA provides an “Enrichment Budget” each year, which goes above and beyond our operating budget. The LCE PTA may elect each year to support educational programs and materials such as classroom supplies, major equipment, teacher aides, books, enrichment programs, etc.

All gifts must benefit the largest number of students possible and be approved by the PTA, Principal and District.

PTA welcomes enrichment budget suggestions from parents, staff and students.
