

La Canada Elementary Art Week

Welcome to Art Appreciation Week!

Hello LCE, welcome to your art appreciation week! This year is a little different as we can't see you due to COVID-19, but we will still do the fun activities that we have done just like years in the past. In order to keep art week going we have put together videos for you and written out daily instructions for the art projects. Follow along and complete them. You will pick up the supplies at LCE for the week!

Sincerely, Your Girl Scouts Audrey Riesberg and Caroline Kelly
